

Turtle Research

The Better World Detectives need YOUR help to solve the Mystery of the Missing Turtles. You will need to know some information about turtles if you are going to be successful in your mission. Remember the turtle info cards you looked at in class and access the following websites to identify AT LEAST six key facts about turtles; the more you know the better. One of your key facts should answer the question you chose from the Working Wall. You can present your findings as bullet points but must write in sentences. Remember to put your facts into your own words.
